On September 22, attended a meeting regarding the LSU Early Childhood Education Laboratory Preschool, regarding personal concerns but highlighted a non-negotiable of a meeting to be held with faculty and staff to discuss previous concerns regarding the center, academic performance. They also talked about the establishment of a Campus Security Access office. That office is going to install access devices on campus that would allow us to shut the campus down by stopping people from going into the buildings or coming through the gates if there was some type of emergency. There was also discussion about communication across campus with regards to new construction, student housing, and parking.

Please do not purchase candy that has Halloween themed wrapping paper as we would like to keep with the season. The candy can be picked up during the week on November 10, so we can begin getting the bags ready.

The Holiday Decorating Contest will be scheduled after Holiday on Campus. The committee is looking for suggestions for a theme. Mike as a Meme was mentioned.

We also discussed whether space either at the childcare center or lab school can possibly be allotted to newly recruited employees who have children.

NEW BUSINESS

Staff Senator Appointment

The Staff Senate Executive Committee has approved the following appointment.

Daniela Escobedo with Human Resource Management is the last runner-up from the last general election expressed and is interested in getting involved in the Staff Senate. She has been employed at LSU since 2024. She is filling a vacancy in the Professional/Non-Faculty (Unclassified) Category through 2028.

Active Shooter Training

The active shooter training will be held virtually on Wednesday, October 22, 2025, at 11:30 a.m. We plan on scheduling some further emergency type situation training in the future as well.

Campus Safety & Security

President Quinneke McDonald reached out to Michael Antoine with the Office of Emergency Preparedness regarding a staff concern with LSU not providing emergency call boxes around campus. Those boxes used to be on campus but were being abused. Michale Antoine shared that LSU is focusing on the new activation system. The LSU application is on longer being supported only the LSU Shield application will be promoted around campus.

If anyone else has anything about campus safety and security, please let us know. We're trying to figure out resources that we can share to support staff who are concerned due to some of the recent events.
